Most aesthetic services are not covered by health insurance. Biopsy and removal of skin lesions may not be covered by my health insurance. I am responsible for payment of any aesthetic services or treatments or any medical conditions not covered by my insurance.

Dear Patients:

As you are aware, we are in a pandemic induced by the coronavirus. We recommend you learn more about COVID-19 (the respiratory illness induced by the virus) at the centers for Disease Control Website (www.cdc.gov)

As you also know, our practice is dedicated to the cure of skin cancer. Your health is our utmost priority, as is the health of our staff and their loved ones. Given, however, that minimizing gatherings is a key method of controlling this pandemic, we are cancelling non-surgical visits (except for suture removals) through at least April 30, 2020 and following the guidelines of care and prevention of disease transmission for healthcare workers provided by the CDC.

Your care with us today is intended to treat the growth and potential spread of your skin cancer, which itself may threaten your health and well-being. Despite our efforts to sanitize our office and protect you and us from viral transmission, it is possible that your visit with us may expose you to the coronavirus.

While much is known about the virus and the illness it causes (COVID-19), much still is not known. The CDC states, "People are thought to be most contagious when they are most symptomatic (the sickest). Some spread might be possible before people show symptoms; there have been reports of this occurring with this new coronavirus, but this is not thought to be the main way the virus spreads."

Therefore, you, people who you are in close contact with, as well as one of us, or someone with whom we are in close contact with, may be carriers and expose all of us to unforeseen risks. The doctors interact with many patients, as do our staff, and some of our staff have family members who are also health care professionals.

By signing below, you are acknowledging that your care and your interaction with our medical and administrative staff here at Cassis Dermatology and Aesthetics Center may be exposing you to COVID-19, which may be mild or may be severe and may cause death. Your signature releases Cassis Dermatology and Aesthetics Center and its doctors and staff from any liability due to sickness, loss of work or other unforeseen damages as a result of COVID-19 to you or anyone with whom you are in close contact. If you do contract COVID-19 and you believe you did so as a result of a visit to our office, by signing this release you are agreeing not to bring any claim against Cassis Dermatology and Aesthetics Center.

We do not wish to add additional stress of your visit to us. We must, however, be open and honest in our communication to you about real or potential, unforeseen and theoretical risks associated with your care at Cassis Dermatology and Aesthetics Center during this pandemic.
